

APPLICATION TO ADOPT OR SPONSOR A PATIENT

Adelaide Koala & Wildlife Hospital provide free emergency vet services to injured wildlife at our hospital in Plympton. We take in injured or stray wildlife with the aim of rehabilitation and release. We also participate in a wide variety of educational programs for students, carers, veterinary students and the public.

We rely solely on the generosity of others including financial and in kind support and are extremely grateful to every individual that contributes to saving lives.
